Club Penguin Mag: Great to have you in CP Mag, Tourdude!

Tourdude: Hey, it's SO cool to be here!

CP Mag: What's it like being the very first penguin that new players meet?

Tourdude: A big responsibility! Remember being new? There's lots to take in, so I try to be friendly and funny.

CP Mag: That would explain your crazy outfit!

Tourdude: You mean my Mullet Tie? I made it myself after a game of Ice Fishing. Just kidding!

CP Mag: What advice would you give to new penguins?

Tourdude: Be cool with others, have LOTS of fun, and don't feed your puffles after midnight (PST).

CP Mag: Really? 'Cos they turn into monsters or something?

Tourdude: No - it's past their bedtime!

CP Mag: Ha-ha! Who's your puffle pal?

Tourdude: This is Puffledude and he's my best friend in the whole world! He likes cookies and bouncing.

CP Mag: Cool! So what do you guys do when you're not guiding new penguins?

"Don't feed your puffles after midnight..."

Tourdude: Sometimes we go for a walk in the Wilderness, but we usually end up helping lost penguins get home again!

CP Mag: Lucky for them, Tourdude! Thanks, and see you soon.

Tourdude: Stay cool!

RooYiepedia

Welcome back to our alphabetical guide to Club Penguin!

T

is for...

Tank

They say every time this Snow Minion hears the name Sensei he growls! Every time my pet rock hears my name he just stays quiet. It's like he knows I'm listening.

Test Bots

These little 'bots were invented by Gary to help test his inventions, but some of them went crazy and escaped! I had a prehistoric adventure with Wheelbot - remember?

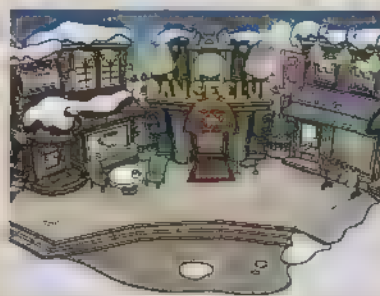

Thin Ice

Fire melts ice. It's science! (Just ask Gary). The trick to this arcade game is to melt the ice squares and collect the coins. It's really hard!

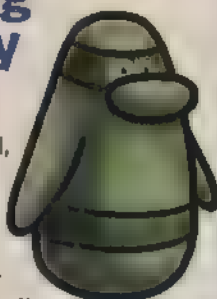

Town

This is where you invite other penguins to your Igloo party. It's also the oldest place on CP, and where they had the legendary BETA TEST PARTY. Wow, it was wild. I think I lost my hat.

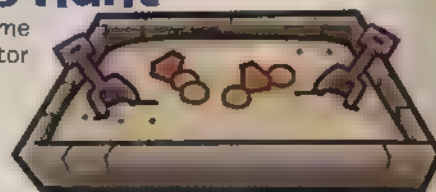

Training Dummy

After a long day serving pizza or being a lifeguard, take out your stress on the training dummy! Or you can pretend it's your friend and talk to it.

Treasure Hunt

You can play this game whenever the Migrator comes to Club Penguin! Try to find an emerald - it's worth 100 coins.

Treetop Forts

This party room was a cool hangout at the top of a tree. It was a good place to just go and have a think. Nowadays I go to the Puffle Hotel Rooftop.

T-Rex Puffle

What happens when you combine a fierce dino with a sleepy puffle? Something that roars then snores! Lol.

Trick or Treat

Penguins love trick or treating at Halloween! I was in charge last time and things got a little, well, weird. Cursed candy will do that.

Tusk

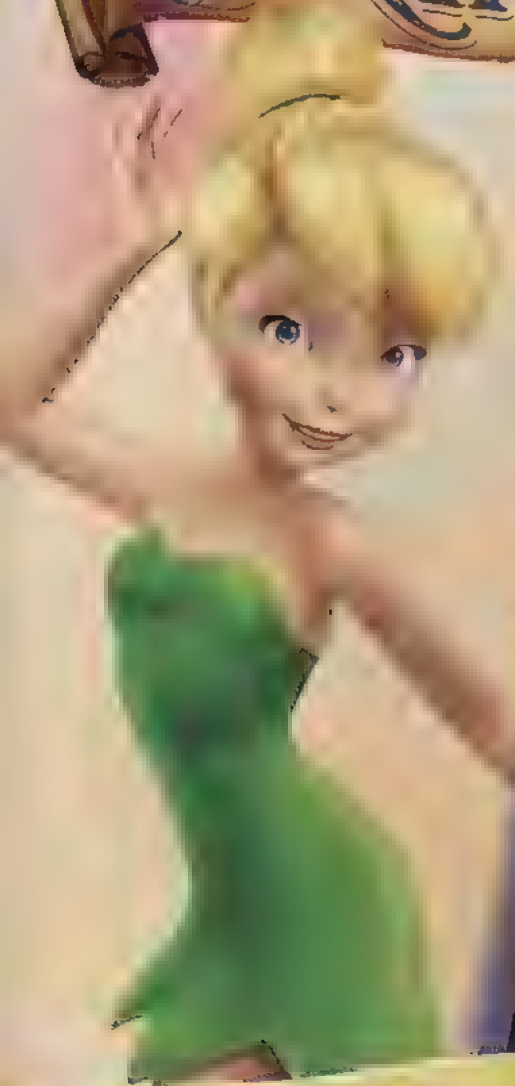

Tusk used to be Sensei's friend a long time ago. Now he's Sensei's enemy! Funny how things change. Remember how PH used to be pink?

Next issue, U is for Underwater, Unicorn Puffles, Ultimate Jam, and more!
